

## Web Design & Hosting Fees - 2015

Showcase Site - \$1,000 <http://www.midgeart.com/> and <http://www.olcbrookhaven.org/>  
Artist just wanted to show her paintings  
Approximately 16 hours of coding.  
Her products do not change often - \$30/month (mobile is an extra \$10/month if desired)

Service Site - \$1,500 <http://www.gah1.net/> and <http://scorpionhpc.com/> (in progress)  
The wanted several different flash presentations  
Approximately 24 hours of coding.  
The content does not change often - (mobile is an extra \$10/month if desired)

Sales Site - \$2,000 [www.bottleworks.co](http://www.bottleworks.co)  
This is a fully functioning ecommerce site with unlimited space for products, customers, and purchasing records.  
Approximately 32 hours of coding.  
Even though the catalog is maintained by the client, there is a lot of maintenance and security work for ecommerce sites - \$60/month includes mobile site

- Several other samples can be viewed at <http://acs1.co/webdevelopment.shtml>
